Dholera airport size halved

Revised Plan Gets Crucial Ministry Of Defence Clearance

Kapil Dave | 7/11/18

Gandhinagar: The greenfield project for international airport near Dholera - Gandhinagar - has been downgraded by 50% to suit the new Draft Development Plan for the airport. The reduction in size of the airport comes almost eight years after it was first proposed. Though it is being the size reduction project of the airport, the project is not to be reduced. A new international airport at Dholera was first proposed in 2007 but it has not been all the necessary clearances. A week ago, it got a key clearance from the Ministry of Defence on the basis of the state government's proposal to upgrade the airport.

The reduction in size of the airport comes almost eight years after it was first proposed.

Ministry of Defence has given its approval for the project. The project is not to be reduced. A new international airport at Dholera was first proposed in 2007 but it has not been all the necessary clearances. A week ago, it got a key clearance from the Ministry of Defence on the basis of the state government's proposal to upgrade the airport.

First smart city project to get boost at summit

Vibrant Gujarat Dholera will be spread across a 920 sq km area.

Delegates to enjoy luxury commuting

Prerna Khatwani

Ahmedabad: Cabinet of Ahmedabad and Gandhinagar are working for a quick approval for the project. The project is not to be reduced. A new international airport at Dholera was first proposed in 2007 but it has not been all the necessary clearances. A week ago, it got a key clearance from the Ministry of Defence on the basis of the state government's proposal to upgrade the airport.

Dholera may host ₹700 cr facility for fixing aircrafts

Chintan Acharya

Gandhinagar: When the Dholera smart city comes up, it is going to be smart not just in terms of infrastructure but also in terms of services too. Gujarat government is eyeing to sign MOUs with aircraft manufacturers like Bombardier, Boeing, Airbus and government of Singapore to set up maintenance, repair and overhauling (MRO) facilities in the state.

The government hopes to sign these memoranda of understanding during Vibrant Gujarat Summit next year. The MRO facilities are likely to bring investments worth Rs 700 crore and generate employment opportunities for 10,000 people.

According to sources, the state government has sent proposals to these aircraft majors inviting them to set up their MRO facilities in Dholera. "We have plans. We want consolidated deals. We shall look forward to have some good banner to work with which can take the business ahead seriously," said state aviation minister Saurabh Patel.

CORPORATE INDIA LINES UP TO RAIN DEALS ON GUJARAT

The Vibrant Gujarat Summit 2018 got off to a flying start on Wednesday with bigwigs from the corporate world lining up to announce investments in the state that has become a hub for several industries.

Company	Investment (in Rs)
